Tour Description

Explore Michigan's largest city with educator Dr. Jim McConnell, who will lead participants on an enjoyable journey through Detroit's 300-year past. Guests will hop aboard a luxurious Bianco Transportation, Inc., motor coach at the Northville Meijer's and travel to downtown Detroit to walk the grounds where Cadillac founded the city in 1701, hear about the Great Fire of 1805, and learn how the Woodward Plan shaped the modern city. Other tour highlights include seeing some of the key locations from the early years of Ford Motor Company and driving through the Downtown area. Other tour sites include the New Center area, Historic Corktown, Midtown and the vibrant Cultural Center. Areas of special interest include the birthplaces of Motown and the Model T. Guests will enjoy lunch at the Hard Rock Cafe in the Compuware Building, next to Campus Martius.
